About Jameela

Jameela Bond's practice focuses on complex international disputes in the energy sector. She advises clients on the full dispute resolution cycle, including dispute avoidance, through litigation and arbitration. In particular, Jameela has considerable experience in international commercial arbitration conducted under the ICC, LCIA and UNCITRAL rules, and has also acted for states in investor-state arbitration.

Jameela has represented clients in a wide range of energy and project-related disputes including in connection with joint ventures, concession agreements and production sharing contracts. In particular, she has significant experience in major oil and gas disputes in West Africa.

Jameela is a Solicitor Advocate with rights of audience in the Senior (Civil) Courts of England and Wales.
